

WELCOME!

***Administering and orchestrating “Next-Gen” Statistical
Environments for AI and Open Source Enabled Infrastructure for
Regulatory Use Cases***

Casey Johnson (Pfizer)
Nicole Jones (Denali)
Michael Meyer (Posit)
Satish Murthy (J & J)
Mike K Smith (Pfizer)

DISCLAIMER

The views expressed are those of the individual speakers, not necessarily those of their organisations.

Agenda

- Introductions
- What are the attributes of a “Production Environment”?
- Package Management
- Validation and Risk
- Deployment – SCE as a whole
- Impact of AI

- General Considerations

We welcome discussion, but ***ELMO***...

- “**E**nough. **L**et’s **M**ove **O**n”
- We’ll keep a “Parking Lot” of items for discussion at the end if we have time.
